## Attachments

**FCC Form 481, Line 510: Certification of Compliance with Applicable Service Quality Standards and Consumer Protection Rules**

Iowa Administrative Code §199-22.6 requires an ETC to certify in its annual report that it is complying with applicable service quality standards and consumer protection rules. The ETC will measure its service connection, held order, and service interruption performance monthly according to this section. Louisa Communications certifies that it has complied with these requirements and will continue to comply with these requirements.

**FCC Form 481, Line 610: Certification Regarding Ability to Function in Emergency Situations**

Iowa Administrative Code §199-22.6(5) requires an ETC to certify in its annual report that it is complying with provisions to meet emergencies including but not limited to the provision of emergency power. Each central office shall contain a minimum of two hours of battery reserve and for offices without permanently installed emergency power facilities, there shall be access to a mobile power unit with enough capacity to carry the load which can be delivered on reasonably short notice and readily connected. Louisa Communications certifies that it has complied with these requirements and will continue to comply with these requirements.

**FCC Form 481, Line 1210: Terms and Condition for Lifeline Customers**

**Lifeline Telephone Assistance Program**

Financial assistance through the Lifeline program is available to help eligible Iowans afford and maintain basic telephone service. Lifeline participation enables Iowans to stay connected to jobs, family, community resources, and government and emergency services. Lifeline is a federal government program that assists qualified Iowans by providing a monthly credit of \$9.25 on the local telephone bill.

The Lifeline program has recently been streamlined by the Federal Communications Commission. Lifeline benefits are now limited to one wire line or wireless phone per qualified household. Households currently receiving more than one Lifeline service must select a single Lifeline service provider and de-enroll from the program with any other provider(s).

Households eligible for or already receiving Medicaid, the Supplemental Nutrition Assistance Program, Supplemental Security Income Program, Federal Public Housing Assistance Program, Low-Income Home Energy Assistance Program, Temporary Assistance to Needy Families Program, or the National School Lunch Program may qualify. Consumers may also qualify based on their level of income. For more information, please see the 2013 Lifeline Week news release.

A Lifeline application form is available from your local telephone service provider, the Iowa Utilities Board, or most Community Action Agencies in the state. To apply, simply complete the application form and then return it to your chosen participating provider. Additionally, residents of Tribal lands who are eligible for Lifeline, should check with their local telecommunications provider to inquire about additional benefits, including potential Link-Up telephone-installation benefits.

Information about the number of customers receiving Lifeline assistance is reported by each Iowa telephone company. For more information, call the Iowa Utilities Board (IUB) toll free at 1-877-565-4450, or visit [www.fcc.gov/lifeline](http://www.fcc.gov/lifeline) or [www.usac.org](http://www.usac.org)

Number of local minutes provided: Unlimited local calling

Additional charges for toll calls: Toll calls are billed at carriers' standard rates
